# **Monroe Dunbar Brook Trail Races**

## 10.5 Miles and 2 Miles 10 a.m. Sunday October 11, 2009 MONROE, MASSACHUSETTS

**Start/Finish:** Dunbar Brook Picnic Area on River Rd., near the Monroe/Florida MA town line

The race runs on the trails and service roads of the Monroe State Forest --considered to have some of the most beautiful scenery in the East. Peak Fall colors, stands of old growth hemlocks, waterfalls, brook crossings, bear, moose, and eagles are just a few of the sights that this deep remote valley and its high peaks offer.

Courses: The 10.5 mile course consists of a rolling one mile single track along the brook, followed by a steep climb of approx. ½ mile. It then climbs gradually on a mix of single track and fire roads to the summit of Spruce Peak (elev.2730 ft.), the high point at approx. race mile 5. The remainder of the course is mostly a gradual downhill, although a few steep sections will be encountered. There are as many as three brook crossings (possibly knee deep).

The **two mile course** is an out and back on the same one mile single track along the brook (mentioned above).

Notice to those who feel they must bring their pets to this race. Consider this: ALL PETS MUST BE KEPT AWAY FROM THE RACE AREA, WHICH INCLUDES THE RACE COURSE, THE START/FINISH AREA, AND THE REGISTRATION/PICNIC AREA. OBVIOUSLY, LEASHING THESE PETS IS MANDATORY.

The safety of the runners is paramount. Please comply with this WMAC regulation. Thank you.
